What a great book! So much great information. Only part I found weird was the page that reads the mother got sick in the baby's mouth. My son was super confused. I had to explain the mom kind of throws up.

I teach kindergarten- 5 year olds loooove penguins & this is the perfect book! Informative, great

illustrations - I enjoy sharing this with my class!

This book is a good addition to children's library. Kindergarteners love learning about penguins.
Replaced my broken cassette with the cd.

Great product! The story is read but also some more information is given on another track. My students listened very carefully.

Excellent condition, includes a CD in good condition too! Nice book. Fast delivery. Met expectations.

My kindergarteners LOVE this book and now they can listen as well as enjoy the illustrations!
