## **Synopsis**

WATCH OUT! This book is different than every book you've ever read. Don't believe me? Have you ever read a book that's about you? This book is! YOU get to choose what happens next - and even how the story will end. You live on the beach in Hawaii and you are an expert sand castle builder. Your parents tell you a big storm is coming the day after you've built your biggest sand castle ever. That night when you go to sleep, you hear noises coming from your castle! Do you brave the storm and see what strange things might be happening out on the beach, or will you wait for the morning, when it's safe? Should you go explore the sunken ship or the haunted cove? What's inside the six large leather trunks? What do you do when you shrink to the size of a snail? YOU choose what happens next! Good luck...

## **Customer Reviews**

This is an interesting book for young readers because, at various points in the book, they get to choose where the story goes. This one is not as interesting as some I've seen. Most of the "choose your own adventure" points in this book lead to a very quick end. I would recommend "Ghost Island" instead. I read that with some elementary kids in a reading resource class. They loved it and it had longer story lines.

Students love the Choose Your Own Adventure books. The Sand Castle book really jumps around a lot. A little obscure but still fun. Sand Castle (Choose Your Own Adventure - Dragonlarks)

stories are a little dark.

I read these to elementary students during read alouds while subbing, they LOVE this series of books! Definitely a great thing for your bag of tricks.

Best books ever! I LOVED choose your own adventure books when I was a kid, and was thrilled to be able to find them for my 7 year old!

Perfect entertainment for 3 yr old and 4 yr old when read aloud. Later I caught 6 yr old reading it to herself.

My 6 and 8 year were both able to read this book and loved being able to choose their own path!

This is a simple fun choose your own adventure book for younger kids.
