The Best Ears In The World: A First Look At Sound And Hearing (Little Bees)

Synopsis

A young rabbit hates his long ears, but when his father explains about sounds and the importance of hearing, he soon changes his mind! As they roam around their woodland home, they observe, ask questions and comment on all the different sounds they hear; from the beautiful sound of a blackbird singing to the farmer's noisy tractor. In doing so, the book explores the principles of sound (Science Key Stage 1) - and has a bit of fun along the way! An exciting and beautifully illustrated information book that encourages children to question the world around them.

Book Information

Series: Little Bees (Book 20)

Hardcover: 32 pages

Publisher: Hodder Wayland (February 14, 2002)

Language: English

ISBN-10: 0750237945

ISBN-13: 978-0750237949

Product Dimensions: 8.4 x 9.6 x 0.3 inches
