Age Range: 2 - 5 years

Grade Level: Preschool - Kindergarten

Customer Reviews

This book is great. I have bought one for my son and one for a friend. It is a large book and has really excellent pictures. The pages are board-like so it holds up well. It's a great jingle based on the story of Noah's ark from the Bible and a fun song to sing for kids. I highly recommend this book.

Not only does my daughter love the book "Jesus Loves Me" illustrated by Tim Warnes, but so does my husband and I. I went online to see what other books he has done for children and discovered this little treasure. Both my husband and I grew up with the song "Rise and Shine" so we thought this book would be a great way to share it with our daughter. I cannot count how many times she asks us to read/sing it to her during story time at night. It's a wonderful book with fantastic illustrations.

After purchasing "Jesus Loves Me" by the same illustrator, I opted for Rise and Shine. I purchased one copy for my son and the other for my Godson's Christening. A great book with wonderful illustrations that kids will like to hear again and again and again. My son asks me to sing and we

wind up singing it together at bed time.

The books by this author are absolutely WONDERFUL! I've gotten them for my son and we get one or more for almost every new baby that we know. They are so sweet and the illustrations are just darling! They are some of our favorites! And now they are some of a lot of our friend's favorites too! I would get them a thousand times over!

This is such a fun book to read and sing to my 2 year old daughter. It's impossible to sing the chorus of this song without feeling happy. She loves it and I love it. Sing the song to your child while you turn the pages of the book and I promise you will both have a smile on your face :)

My children love this book! The pictures are adorable with lots of cute details to ask questions about/engage children while reading, and it's a great way to learn the song.
