CCNP ISCW Portable Command Guide

Synopsis

CCNP ISCW Portable Command Guide • All the ISCW 642-825 commands in one compact, portable resource • Scott Empson Hans Roth • Preparing for the CCNP certification? Working as a network professional? Here are all the CCNP-level commands for the ISCW exam you need in one condensed, portable resource. The CCNP ISCW Portable Command Guide is filled with valuable, easy-to-access information and is portable enough for use whether you're in the server room or the equipment closet. • This book can help you memorize commands and concepts as you work to pass the CCNP ISCW exam (642-825). The guide summarizes all CCNP certification-level Cisco IOS Software commands, keywords, command arguments, and associated prompts, providing you with tips and examples of how to apply the commands to real-world scenarios. Sample configurations throughout the book provide you with a better understanding of how these commands are used in simple network designs. • The topics in this portable command guide cover how to do the following: Implement basic teleworker services Implement Frame-Mode MPLS Implement a site-to-site IPsec VPN Describe network security strategies Implement Cisco Device Hardening Implement Cisco IOS Firewall Describe and configure Cisco IOS IPS • Scott Empson is currently the assistant program chair of the bachelor of applied information systems technology degree program at the Northern Alberta Institute of Technology in Edmonton, Alberta, Canada, teaching Cisco routing, switching, and network design courses in certificate, diploma, and applied degree programs at the post-secondary level. • Hans Roth is an instructor in the electrical/electronic engineering technology department at Red River College in Winnipeg, Canada. • Access all CCNP ISCW commands • use as a quick, offline resource for research and solutions Logical • how-to • topic groupings provide one-stop research Great for review before taking the CCNP ISCW certification exam Compact size makes it easy to carry with you, wherever you go • Create your own journal • section with blank, lined pages allows you to personalize the book for your needs • This book is part of the Cisco Press Certification Self-Study Product Family, which offers readers a self-paced study routine for Cisco certification exams. Titles in the Cisco Press Certification Self-Study Product Family are part of a recommended learning program from Cisco that includes simulation and hands-on training from authorized Cisco Learning Partners and self-study products from Cisco Press. • Category: Cisco Press • Cisco Certification Covers: CCNP ISCW Certification 642-825 •

Book Information

Paperback: 192 pages

Publisher: Cisco Press; 1 edition (March 22, 2008)

Language: English

ISBN-10: 1587201860

ISBN-13: 978-1587201868

Product Dimensions: 5.9 x 0.4 x 9 inches

Shipping Weight: 8.8 ounces
