Customer Reviews

This is a delightful book. It has wonderful color illustrations on every page, and it's loaded with facts and information about the history of Ancient Egypt. It covers a 3000 yr. period, and contains a detailed, colored map of ancient Egypt, articles on pyramid building and the mystery surrounding the death of Tutankhamun, a list of the most important Egyptian gods and pharaohs, and charming colored "ads" for goods and services in use at that time. This informative book should appeal to kids, teenagers and adults alike, who want to learn more about the fascinating realm of ancient Egypt.

My son loves these and I love that he enjoys learning through them! I was surprised at how much he learned in such a fun way! We bought all that we could and wish they sold other history lessons in this style. Fun!

Just for kids?? Nah! The Egyptian News is for ALL uskids of ALL ages. Hey, there's Tut on the cover withAye and Horemheb! This book is priceless, and a lot of thought and research went into it. I found many of the ADS hilarious...and fell out of my chair when The Egyptian News taught me (actually based on real research) how to solve my rat infestation problem. Wonderful book; treat yourself!

Eye catching cover - my students wanted to look at these books right away. The format is a creative model for student projects where they put themselves in the time period to report the news.

We used this book last year. It was very helpful and informative. My grand-daughters loved it. The book was in great condition. Thank you. Sheila

Love it! Great service
