Customer Reviews

This book has captured the High/Low readers in our school. As a librarian, I have searched for books that would catch the interest of our boys. This is one that I couldn't keep on the shelf. This title has been especially fitting in my area, where basketball is the main sport. Our 3rd to 5th grade boys like the action, and the morals of the story is one adults (teachers and parents) will especially appreciate.

How could an 8 year old boy who loves sports NOT like this book? He couldn't put it down and it was relevant to him!

Great for 1st-2nd graders. My son (and I) really like this series as each book has a good message. It

holds the interest of the reader and is really enjoyable.

Excellent read for any sports minded 7 to 9 year old

My son loved it!
