QB Blitz (Matt Christopher The #1 Sports Series For Kids)

Synopsis

Last season, thirteen-year-old Cal Kelliher was the star quarterback of the middle school football team. The only seventh grader in a starting line-up of eight graders, he spent the year playing ball and hanging out with the older boys. Now everything's changed. The eighth graders are freshmen, too wrapped up in high school to bother with Cal anymore. His teammates, used to be ignored by him, don't give him the time of day either. When a popular player challenges him for the quarterback position and the new head coach questions his attitude, Cal feels like he's being blitzed from all sides. Will he find a way to survive the mounting pressure, or will he get sacked?

Customer Reviews

I purchased this for my Grandson's Birthday and he love it. Very good shape and great service too. I will buy again from you.thanks

My eight year old son loves these books! Finishes one and asks to buy another. It is a great way to keep him reading!

My 7-year-old grandson reads as many Matt Christopher books as he can. Loves them!

My 11 year-old loves these books and they qualify for AR points!

It's not really about football, it's about mean-girl backstabbing in the locker room. The antagonist, a boy who is competing for the QB position, uses lies, theft, and innuendo to try and win the spot. There's very little actual sports in this book, and it's certainly not inspirational.

my son loves these books!

It was a good story.
